15th May 2025

NEW GP JOINING THE PRACTICE

We are pleased to announce that a new GP will be joining our practice.

Dr. Christine Carter will be starting on 1st June 2025 and brings with her a strong foundation of up-to-date clinical knowledge, enthusiasm and a commitment to patient care.

To support a balanced workload across the practice, some patients may be reassigned to Dr. Carter as their registered GP. This will not affect access to appointments with other clinicians, and patients will continue to receive the same high standard of care.

Thank you for your understanding and continued support.
